Ethan,

How's everything going? on the phone under Job searchs the first thing they said was if you have a security clearance, jobs are waiting for you. There was a big list of job offers, JUST ANOTHER Reason to be in the army & get you security clearance. Then when you get out you shouldn't have any problem Renewing your clearance when the army Clearance Runs out. JUST another benifit.

We went across the street to the Antique Place & I was Right, it was an inside Junk yard with nothing but Junk.

Tomorrow we are going to the 67 Antique mall which looks like the one, in ~~Kate~~ Columbus.

It hasn't Rained yet today, its 3:00 P.M. now. Its cloudy now and a little cold its 45°

I can't wait to get a letter from you & we are looking forward to Christmas Break.

We love you very much & miss you.

Take Care & I'll write again tomorrow.
